CENSUS
of
CRAWFORD COUNTY, OHIO 1880

It is always difficult to read early hand-written documents and the 1880 Census has been no exception. Not only does one need to decipher the handwriting, but it is also necessary to take into consideration the fact that the enumerator wrote what the names sounded like to him.

The 1880 Census was entered into the computer from micro-film and proof-read from the ORIGINAL DOCUMENT, 1880 Census, owned by OGS Library, Mansfield, Ohio.

There are what appear to be corrections written on this original document. These apparent corrections were disregarded in order to have our record reflect what the enumerator wrote.
